

107

ACCESSORIES

THE CONSUMMATE CITY CAR

With its cheeky good looks, nippy engine and compact dimensions, the Peugeot 107 was made for the city. It even comes with MP3 player connectivity built in, so you can take all your tunes with you wherever you go.

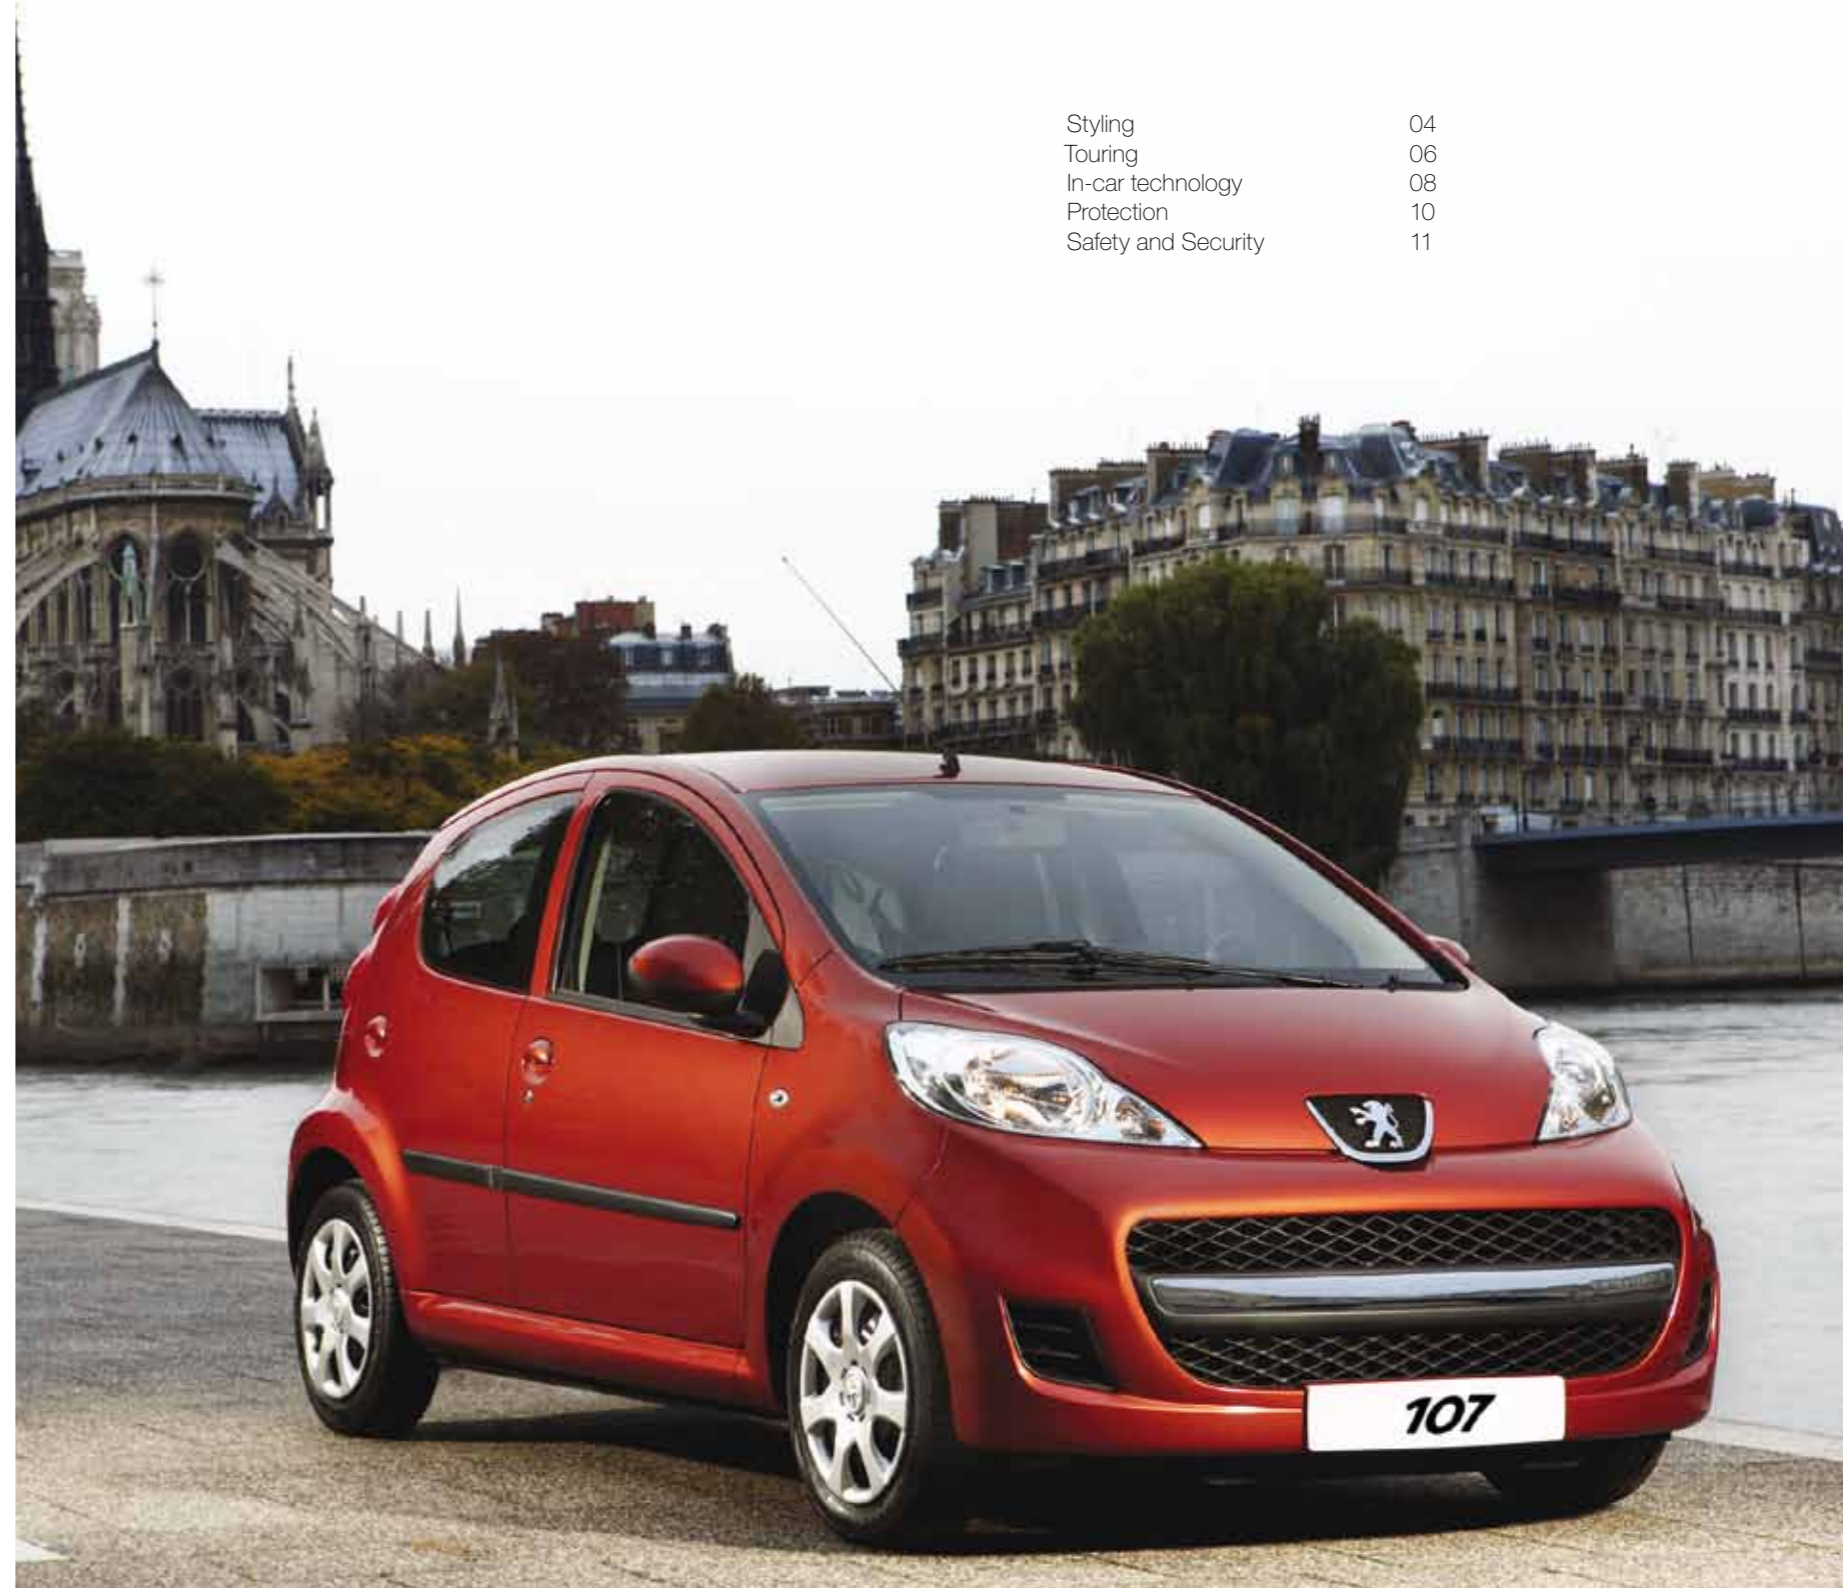

A truly spirited drive makes getting around not just fun, but economical – with 62.8 miles per gallon and CO₂ emissions of 106g/km meaning it qualifies for the lowest road fund licence banding. And, as the 107 is a group one insurance vehicle, you don't have to pay through the nose either to enjoy this city car.

The 107 accessories are your chance to stamp even more personality onto this fun little package. Perhaps you want to give your 107 a sportier stance using our Twin Headlamp Kit, Tailgate Spoiler and Exhaust embellisher? Or maybe you want to add more security with a Thatcham Category 1 Alarm and Locking Wheel Bolts?

Whatever you want your 107 to say about you, our accessories can help. And because every item is designed to fit perfectly in your Peugeot, there's no compromise on quality. To help you find the accessories you want to add to your 107, this brochure is organised into categories: Styling, Touring, In-car technology, Protection and Safety and Security. So take a look, decide on the right accessories for you and then get ready to enjoy comfort, style and fun wherever you go.

Contact your local Peugeot Dealer for more information on all our accessories or visit www.peugeot.co.uk/accessories

Safety and Security	11

1. Tailgate spoiler

Designed by the Peugeot design studio to compliment the original vehicle styling, the 107 rear spoiler adds that extra sporting touch.

3. Alloy wheels – 14"

Sborne alloy wheels - Available in 5.5J x 14".

2. Sports front grille

Manufactured from high-quality stainless steel, these sports grilles give your car the distinctive motorsport look of high performance.

4. Carbon fibre rear panel

The carbon fibre effect rear panel adds a real motorsport look to the 107's impressive rear end style.

5. Sports twin headlamp kit

The ultimate in sports styling, these twin lights give a distinctive edge while retaining the original adjustment features.

6. Sports headlamp protectors

Protect your headlamps from damage caused by road debris and give the impression of sporty twin headlights.

7. Sports rear lights

Incorporating a modern, clear lens design, these sleek and stylish lights add an extra sporty dimension.

8. Full body stripe kit – roof and side

The ultimate sporting statement. These bold body stripes are manufactured from high quality, UV stable vinyl that will not discolour, crack or peel.

9. Stainless steel sports exhaust conversion kit

Manufactured from high quality polished stainless steel, these sports exhaust conversions are the very latest in sports styling. Available as Race Twin Oval (shown) or the more discreet Race Twin Round.

10. Aluminium interior trim kit

Create a sporty interior with this aluminium trim kit. Comprises instrument panel fascia surround, gear lever gaiter surround and two electric window control surrounds.

11. Aluminium gear knob

Complete a sporty interior with this high-quality aluminium gear knob.

12. Rev counter

Add to the sporty look and feel with this pod-mounted rev counter.

13. Exhaust embellisher

Rear tailpipe embellisher – give your standard exhaust that sporty look.

1. Roof-mounted cycle attachment for use with Peugeot roof bars

This carrier securely locks the bike to the roof bars. It attaches to the bike on each wheel and frame (as pictured). There are versions of the carrier available for cycles with and without standard tubular frames.

2. Roof bars

Available for 3-door and 5-door models. 60kg capacity.

5. Rear side window sunblind

Set of two rear window sunblinds that reduces glare and helps keep the interior cool.

3. Manual tilt and slide sunroof

This manual sunroof can be tilted up or can slide all the way back for a real open-air feeling.

6. Rear window sunblind

Reduces glare and helps keep the interior cool.

4. Central front armrest

Hinged armrest with storage compartment for six CDs.

7. Door wind deflector

Set of two deflectors to increase ventilation into the cabin whilst minimising noise and buffeting.

8. Luggage box

Roof bar mounted luggage boxes – available in various sizes, see price list for full details.

9. Glovebox lid

This glovebox lid complements the 107's stylish interior and adds practicality, keeping your valuables out of sight and neatly tucked away.

10. Ashtray and base

Ashtray which fits into the cup holder storage section within the centre console.

11. 12 Volt hot/cool box

With a 15 litre capacity, this thermal storage unit will cool 15°C below ambient temperature in cooling mode, and up to 55°C in heating mode. Held in place by either a lap or 3-point seat belt.

12. Parking sensor kit

To help you manoeuvre more safely. The system emits audible bleeps when the car approaches an obstacle.

IN-CAR TECHNOLOGY

1. iPod / MP3 Kit

Peugeot's range of iPod / MP3 kits, enable you to play your music via the vehicle's audio system.

2. CD Multiplayer

Six disc CD multiplayer. Available for all models.

3. MP3 Connection cable

Auxiliary input cable allowing connection of MP3 players to the vehicle audio system.

4. Smartnav dynamic navigation unit

An easy-to-use dynamic navigation system that takes into account live traffic information, helping you to avoid traffic hold-ups. Simply press the Smartnav button, verbally confirm your destination and you're away. Additional options include 'Safe Speed' which alerts the driver to speed camera locations.

5. Supertooth One hands-free kit

This hands-free kit simply clips on to the vehicle sun visor. It incorporates the latest 'Bluetooth' technology, providing a wireless connection to your mobile phone. It has a built-in speaker with exceptional sound clarity and ultra sensitive microphone with noise cancellation and an integrated rechargeable battery.

6. Clarion stereo upgrade kit

Upgrade your audio system with a new high spec head unit, with full MP3 connection capability, custom fit upgraded dash mounted speakers, and even an active subwoofer for the ultimate in sound quality.

7. Rear shelf and speaker kit

Original rear shelf equipped with two co-axial speakers with Neodymium tweeters. Power output 2 x 50 watts RMS.

8. Bluetooth integrated hands-free phone kit

Designed to be used with 'Bluetooth' compatible phones, this hands-free kit offers full voice control for pick-up, hang-up and dialling by name. Just leave your phone in your pocket or a bag, turn the ignition key and you're ready to make, take or reject calls while driving.

9. TomTom GO portable navigation

The very latest in portable navigation from TomTom. No set-up or subscription charges, simply plug in, switch on and GO. These smart, easy to use, navigation units come pre-loaded with UK and Western European mapping and include a screen mount and in-car power lead. Entering address details could not be easier thanks to their touch screen operation and postcode navigation.

PROTECTION

1. Sill guards

Brushed aluminium style polycarbonate door sill guards stamped with the Peugeot logo. Set of two.

6. Rubber mats front and rear

Manufactured from hard-wearing washable rubber. Front and rear sets are available and sold separately.

2. Door handle protectors

Designed to protect the paintwork immediately below the door handle from scratches caused by rings and fingernails. Can be painted to match the vehicle paintwork if required.

7. Standard carpet set – grey

For effective protection of the original carpets. Embossed with 107 logo. Set of four.

3. Mudflaps “107” badged

With 107 badges. Sold in pairs (front or rear).

8. Luxury carpet set – anthracite

Offers the same protection as the standard mats, with the benefit of a more luxurious pile. Embossed with the 107 logo.

4. Styled mudflaps painted

Sold in pairs.

9. Boot protection tray

Manufactured from hard-wearing washable rubber. Easy to fit and remove.

5. Headlamp protectors

Protect your headlamps from damage caused by road debris.

10. Bumper sill protector

This moulded trim, will not only add a touch of style to the rear of the car, but will protect the tailgate sill when loading objects into the boot.

SAFETY & SECURITY

1. Romer Baby Safe baby seat* – up to 12 months (0 to 13kg)

Rear facing child seat with canopy (sun visor), headrest and cushion reducer for newborn babies.

6. Child booster cushion and optional backrest

For children between 4 and 11 years. Shown with optional backrest.

2. ISOFIX child seat† – up to 4 years

Front or rear seating system for children from 0 to 4 years. ISOFIX mountings lock the child seat directly to the car's seat frame, ensuring correct fitting and excellent child restraint. Requires a reducer cushion for newborn babies.

7. Thatcham Category 1 alarm

Protects against forced entry via bonnet, doors and boot plus ultrasonic protection of vehicle interior.

3. Romer Duo ISOFIX child seat† – 9 months to 4 years (9 to 18kg)

This forward facing child seat can be fixed straight to ISOFIX mounting on the vehicle, providing extra security, or use the vehicle's original seatbelts. The seat features tilt adjustment.

8. Locking wheel bolts

Protect your investment with our range of locking wheel bolts. Reduces the risk of theft of both alloy and steel road wheels.

4. Recaro child seat† – 9 months to 12 years (9 to 36kg)

This fully adjustable forward facing child seat features a strong lightweight aluminium tube frame chassis that can be fitted in the front or rear seats. A range of other accessories to complement the seat and increase child comfort is also available.

9. Warning triangle, high visibility jacket & first aid kit

Be prepared for those unexpected emergencies with our range of road safety accessories. All items are available individually.

5. Kiddy Life child seat† – 9 months to 12 years (9 to 36kg)

Forward facing child seat which uses the vehicle's original seat belts. This is fully adjustable for lateral, lumbar, leg and back support, making the seat adaptable for children up to 12 years of age.

10. Headlamp beam converter

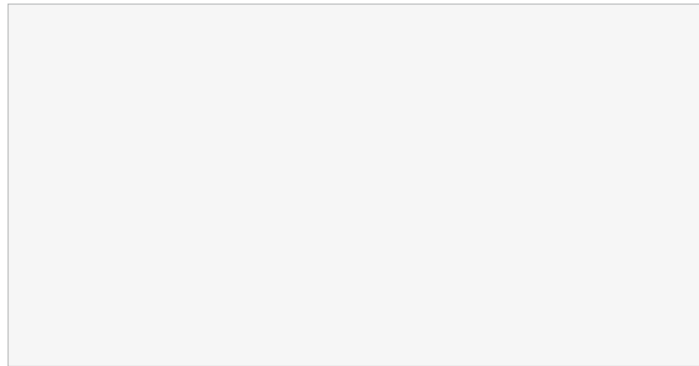

Peugeot headlamp beam converters redirect the beam rather than blocking it. This patented technology allows almost 20% more light through, enabling you to drive safely and legally when abroad.

*Please refer to vehicle handbook for model suitability and approved seat position. †Covers are machine washable
