## Accessories to suit your lifestyle

Inspired by nature, driven with pleasure, the new 308 is a superb combination of refinement and elegance. It's been built to the highest standards, with an impressively luxurious feel to the comfortable cabin, and a choice of latest-generation petrol and diesel engines for dynamic, economical performance. In fact the 308 sets a new benchmark for cars in its class, so we're delighted you've chosen to drive it.

Now we'd like to show you all the options you have available to add high-quality accessories that reflect your individual needs and your lifestyle.

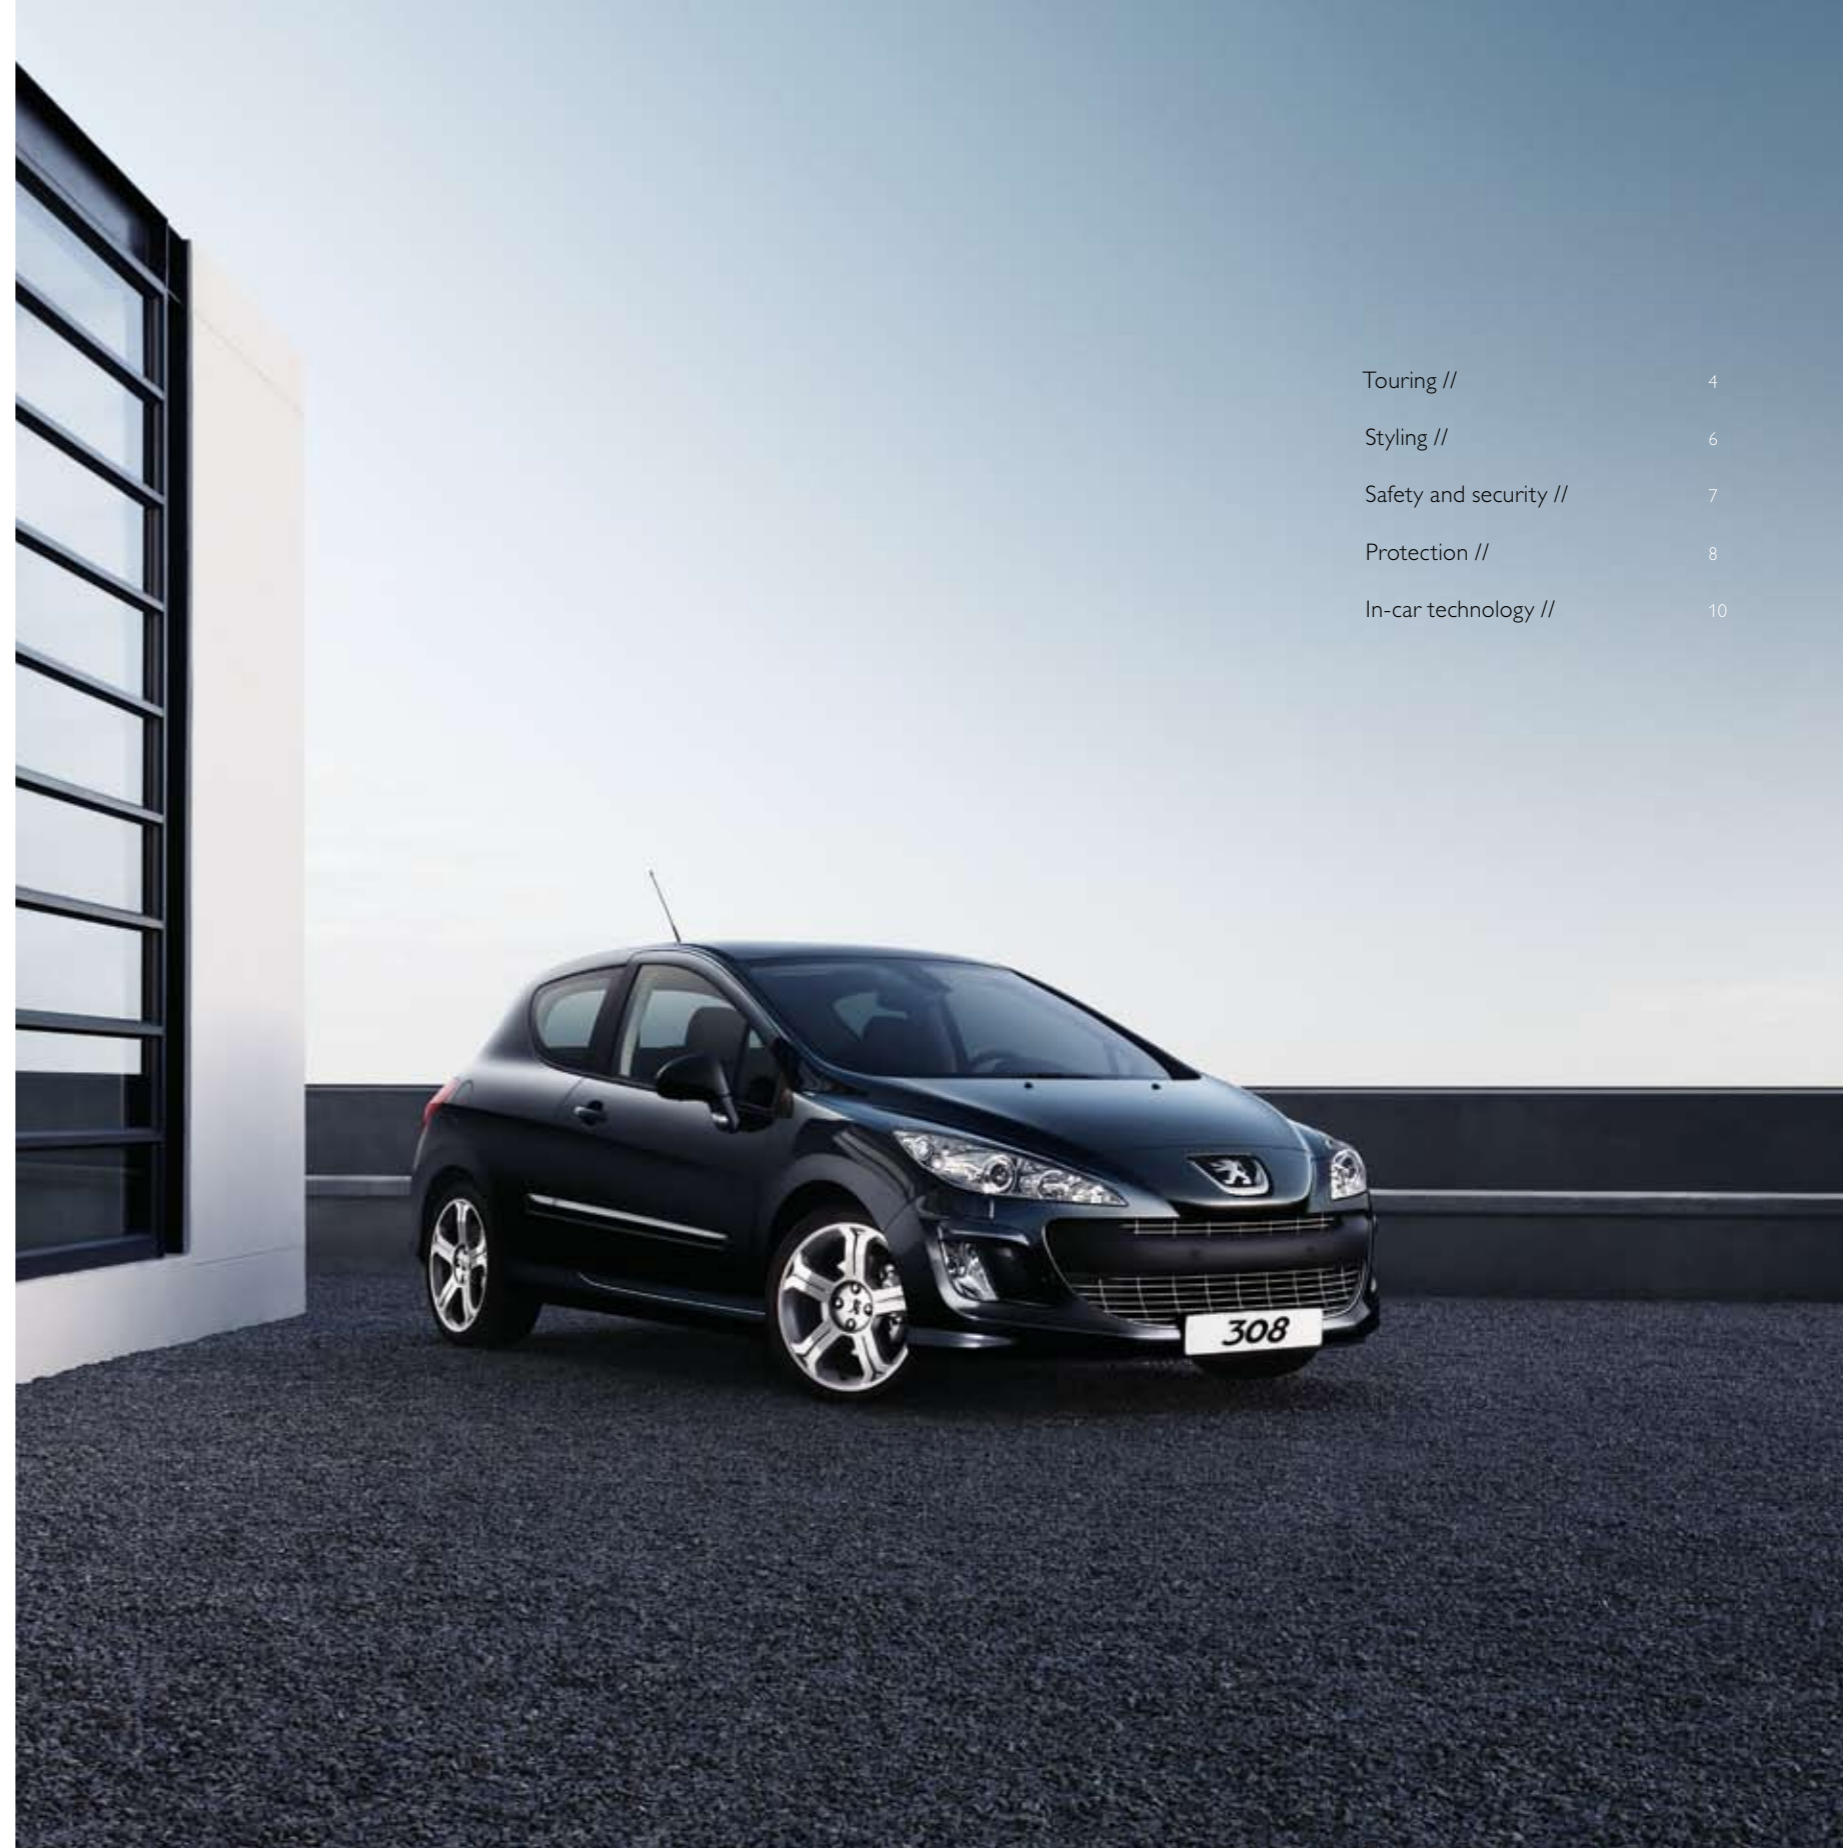

Perhaps you'd like to heighten your 308's sporting credentials with rear spoilers and alloy wheels. Then there's practical equipment, such as roof bars, luggage racks and child seats. And of course there's extra technology, like TomTom satellite navigation, a CD multiplayer and DVD player.

Every item is designed to fit perfectly in Peugeot cars. There's no compromise on quality – a philosophy that has been adhered to in every aspect of the 308's development. The brochure is organised into categories: Touring, Styling, Safety and security, Protection and In-car technology, to make

it easy to find the things you want. So take a look, decide on the accessories you want and get ready for the drive of your life!

### 1. Supaguard

Supagard is an advanced formula PaintSeal compound which helps to protect vehicle paintwork. This tough and durable finish migrates into the pores of the paintwork to provide long term protection against the elements and environmental pollutants. The use of Supagard maintains the showroom shine and is guaranteed to remain in place without the need to wax or polish the car.

### 2. Styled mudflaps

Designed to complement the lines of the vehicle whilst protecting the vehicle's bodywork from damage that can be caused by road debris. Available in both front and rear pairs, they are supplied in matt black plastic ready for fitting. They can be painted body colour for that extra special look.

### 5. Carbon fibre effect door sill protectors

Offering the same protection as the stainless steel guards, but in a hard-wearing PVC material. Available as a set of two for 3 door models, and a set of four for 5 door models.

### 3. Mudflaps

Sold in pairs, front or rear.

### 6. Rubber mats

Manufactured from hard-wearing washable rubber. Front and rear sets are available and sold separately.

### 4. Stainless steel door sill protectors

Protect your car's sills from scuffs and scratches with these attractive stainless steel guards.

### 7. Carpet mat set

For effective protection of the original carpets. Embossed with 308 logo. Set of four.

### 8. Rubber boot mat

Designed to complement the interior rubber mat set, this boot mat offers protection against dirty items carried in the boot.

### 9. Boot area carpet mat

Complements the interior carpet mat set.

### 10. Boot protection tray

Manufactured from hard-wearing washable rubber, this high sided tray will not only protect against dirty items but will also help contain small liquid spills in the boot.

### 1. TomTom GO portable navigation

The very latest in portable navigation from TomTom. No set-up or subscription charges, simply plug in, switch on and GO. These smart, easy to use, navigation units come pre-loaded with UK and Western European mapping<sup>†</sup> and include a screen mount and in-car power lead. Entering address details could not be easier thanks to their touch screen operation and postcode navigation.

### 2. CD multiplayer

Five disc auto-changer available for all models.

### 4. DVD player

A fully portable stylish DVD player with a 7" screen and its own battery. Featuring a patented headrest cover which allows the unit to be safely mounted behind either of the front seats plus a carry bag, remote control, one set of headphones, in-car power lead and mains adapter. Optional extras include a second screen and infra red headphones.

### 3. Smartnav dynamic navigation system

An easy-to-use dynamic navigation system that takes into account live traffic information, directing the user around congestion and traffic hold-ups, all at the press of a button on the dashboard. Also available with optional 'Safe Speed', which alerts the driver to speed cameras, helping you to keep within the speed limit.

### 5. Auxiliary loom for RD4 radio

The auxiliary input loom allows connection of mp3 players to the vehicle's audio system.

### 6. iPod your Peugeot

Peugeot's range of iPod car dock kits enable you to play your music via the vehicle's audio system. All of the iPod music menus are displayed on the vehicle multi-function display allowing safe browsing through songs, albums, artists, playlists and podcasts. Navigation through these menus could not be simpler via the vehicle audio stalk control which also allows users to adjust volume and skip forwards and backwards through tracks. Once connected, the iPod can be safely stored in the glove box or other dashboard location and its battery will also be charged.

### 7. 'Bluetooth' hands-free kit

Designed to be used with 'Bluetooth' compatible phones, this hands-free kit offers full voice control for pick-up, hang-up and dialling by name. Just leave your phone in your pocket or a bag, turn the ignition key and you're ready to make, take or reject calls while driving.

### 8. Hands-free kit Supertooth II

This hands-free kit simply clips on to the vehicle sun visor. It incorporates the latest 'Bluetooth' technology, providing a wireless connection to your mobile phone. It has a built-in speaker with exceptional sound, clarity and ultra sensitive microphone with noise cancellation and an integrated rechargeable battery.

### 9. Road Angel compact

Road Angel compact is a road safety device that utilises GPS technology to alert drivers to a variety of driving hazards. Road Angel compact alerts you to accident black spots, safety cameras, schools and congestion charge areas with an audible and visual alert and includes six months subscription.
