PEUGEOT

# A DREAM MADE REAL

A daring idea first unveiled at the Frankfurt motor show has now become an even bolder reality. The RCZ embodies the beginnings of a new style language and marks the next chapter in Peugeot's proud history.

A compact 2+2 sports coupe designed for maximum driving pleasure, the RCZ is a car you'll want to spend time with. From its 'double bubble' roof through to its bold curves and ruby red lights the RCZ silhouette is both athletic and graceful.

Inside, echoes of the elite world of motorsport abound. The wrap around sports seats coupled with a low, ergonomic driving position are perfect for gaining full enjoyment from the RCZ's supreme road-holding ability.

The RCZ is versatile too. Weekend getaways are made easy by the spacious boot and the potential to further increase space by folding down the sculpted rear seats. Now we'd like to show you all the options you have available to add high-quality accessories that reflect your individual needs and your lifestyle.

Perhaps you'd like to compliment your RCZ's sporting credentials with a set of front skirts or carbon fibre door mirror covers. Then there's practical equipment, such as towbars, cycle carriers and child seats.

And of course there's cutting edge technology like Wi-Fi on board. Every item is designed to fit perfectly in your RCZ.

There's no compromise on quality – a philosophy that has been adhered to in every aspect of the RCZ's development. So take a look, decide on the right accessories for you and then get ready to enjoy comfort, style and fun wherever you go.
